## **SPECIFICATION**

## Atrazine Standard

for Pesticide Residue Analysis

| REQUIREMENT                              | SPECIFICATION                           |
|--|---|
| Appearance                               | White, crystalline powder $\sim$ powder |
| Solubility in N,N -dimethylformamide     | to pass test                            |
| Melting point                            | 173∼177℃                                |
| Loss on drying over silica gel in vacuum | max.0.1%                                |
| Assay (HPLC)                             | min.98.0%                               |
| Assay (qNMR)                             | min.98.0%                               |
