SPECIFICATION

Albumin, Human, recombinant expressed in yeast

for Cell Culture

REQUIREMENT	SPECIFICATION
Appearance	White \sim yellowish brown, crystals \sim powder or mass
Solubility in water	to pass test
Loss on drying over silica gel in vacuum	under investigation
pH of a 20g/L solution at 25℃	under investigation
Bacterial endotoxins	less than 5EU/g
Assay (HPLC)	min.98.0%

Source:Yeast expressed human serum albumin
