

Code No.02-1571

SPECIFICATION

Boric Acid for Molecular Biology

| REQUIREMENT | SPECIFICATION |
|-----------------------|--------------------------------------|
| Appearance | White, crystals ~ crystalline powder |
| Solubility in water | to pass test |
| Solubility in ethanol | to pass test |
| Deoxyribonuclease | to pass test |
| Ribonuclease | to pass test |
| Assay | min.99.5% |
