

Code No.03-1626

## SPECIFICATION

### Cyromazine Standard

for Pesticide Residue Analysis

| REQUIREMENT                              | SPECIFICATION            |
|--|--------------------------|
| Appearance                               | White, crystals ~ powder |
| Solubility in water                      | to pass test             |
| Melting point                            | 220~227°C                |
| Loss on drying over silica gel in vacuum | under investigation      |
| Assay (HPLC)                             | min.99.0%                |
| Assay (qNMR)                             | min.99.0%                |
