

## SPECIFICATION

Chenodeoxycholic Acid, from Pig Bile  
for Biochemistry

REQUIREMENT	SPECIFICATION
Appearance	White ~ pale brown, crystalline powder ~ powder to pass test  +11~+13°  under investigation  under investigation
Solubility in ethanol	
Specific rotation [ $\alpha$ ]D20(c=2,C2H5OH) (after drying)	
Loss on drying at 60°C in vacuum	
Assay (HPLC)
