SPECIFICATION

Dimethyl Sulfoxide

for the Japanese Pharmacopoeia General Tests (for UV-vis Spectrophotometry)

SPECIFICATION
Colorless crystals or clear colorless liquid
not less than 18.3℃
not more than 0.20
not more than 0.09
not more than 0.06
not more than 0.015
to pass test
not more than 0.1%

This product is suited for Dimethyl sulfoxide for ultraviolet-visible spectrophotometry of general tests on The Japanese Pharmacopoeia
