

Code No.05-0680

# SPECIFICATION

## Ethyl p-Hydroxybenzoate Standard

for High Performance Liquid Chromatography

| REQUIREMENT                              | SPECIFICATION                      |
|--|------------------------------------|
| Appearance                               | White, crystalline powder ~ powder |
| Solubility in ethanol                    | to pass test                       |
| Melting point                            | 115~118°C                          |
| Loss on drying over silica gel in vacuum | under investigation                |
| Assay (HPLC)                             | min.99.0%                          |
