

# SPECIFICATION

## Furametpyr-hydroxy Standard for Pesticide Residue Analysis

| REQUIREMENT           | SPECIFICATION                    |
|-----------------------|----------------------------------|
| Appearance            | White ~ brown, crystals ~ powder |
| Solubility in acetone | to pass test                     |
| Water                 | under investigation              |
| Assay (capillary GC)  | min.99.0%                        |
| Assay (qNMR)          | min.97.0%                        |
