

Code No.15-0169

# SPECIFICATION

## Oxolinic Acid for Biochemistry

| REQUIREMENT                             | SPECIFICATION                                 |
|---|---|
| Appearance                              | White ~ slightly yellow,<br>crystals ~ powder |
| Solubility in sodium hydroxide solution | to pass test                                  |
| Residue after ignition (as sulfate)     | max.0.2%                                      |
| Thin layer chromatography test          | to pass test                                  |
| Assay                                   | min.98.0%                                     |
