

SPECIFICATION

Palatinit
for Biochemistry

REQUIREMENT	SPECIFICATION
Appearance	White ~ nearly white, crystals ~ powder
Solubility in water	to pass test
Specific rotation [α]D20(c=4,dil.NH4OH) (calculated on the dried basis)	+88~+102°
Loss on drying at 105°C	max.10.0%
Residue after ignition (as sulfate)	max.0.1%
Assay (HPLC)	min.98.0%
