

Code No.16-1784

SPECIFICATION

Pyrazosulfuron-ethyl Standard  
for Pesticide Residue Analysis

| REQUIREMENT                              | SPECIFICATION            |
|--|--------------------------|
| Appearance                               | White crystalline powder |
| Solubility in acetonitrile               | to pass test             |
| Loss on drying over silica gel in vacuum | max.1.0%                 |
| Assay (HPLC)                             | min.98.0%                |
