

SPECIFICATION

Polysorbate 80, from Plants for Biochemistry

REQUIREMENT	SPECIFICATION	
Appearance	Colorless ~ yellowish brown, clear ~ slightly muddy liquid under investigation	
Viscosity (25°C)		
Solubility in water		to pass test
Water		max.3.0%
pH of a 50g/l solution at 25°C		5.5~7.5
Acid value		under investigation
Saponification value		under investigation
Hydroxyl value		under investigation
