

Code No.19-0734

SPECIFICATION

Salithion Standard for Pesticide Residue Analysis

| REQUIREMENT | SPECIFICATION |
|--|--------------------------|
| Appearance | White, crystals ~ powder |
| Solubility in acetone | to pass test |
| Melting point | 55~57°C |
| Loss on drying over silica gel in vacuum | max.0.5% |
| Assay (capillary GC) | min.99.0% |
