

Code No.20-0024

## SPECIFICATION

## 1,1,2,2-Tetrabromoethane

Wako Special Grade

| REQUIREMENT           | SPECIFICATION                             |
|-----------------------|---|
| Appearance            | Colorless ~ yellowish brown, clear liquid |
| Density (20°C)        | 2.957~2.977g/mL                           |
| Refractive index 20°C | 1.635~1.640                               |
| Water                 | under investigation                       |
| Assay (capillary GC)  | min.98.0%                                 |
