## **SPECIFICATION**

## Albumin, from Bovine Serum, Globulin Free

for Biochemistry

REQUIREMENT	SPECIFICATION
Appearance Solubility in water	White $\sim$ pale brown or slightly greenish yellow, crystals $\sim$ crystalline powder to pass test
Loss on drying over silica gel in vacuum	max.3.0%
pH of a 10g/L solution at 25℃	6~8
Heavy metals (as Pb)	max.0.002%
Total nitrogen (N)	14~16%
Globulin	no detection
Assay (electrophoresis)	min.98%
