2024/05/12 Distributed by FUJIFILM Wako Pure Chemical Corporation Manufactured by FUJIFILM Wako Pure Chemical Corporation

SPECIFICATION

Acibenzolar Acid Standard

for Pesticide Residue Analysis

REQUIREMENT	SPECIFICATION
Appearance	Nearly white \sim slightly yellow, crystalline powder \sim powder
Solubility in acetone	to pass test
Melting point	260~264°C
Loss on drying over silica gel in vacuum	under investigation
Assay (HPLC)	min.99.0%
Assay (qNMR)	min.98.0%
