

## SPECIFICATION

4,4-Bis(2-ethylhexyl)-4H-silolo[3,2-b:4,5-b']dithiophene  
for Organic Synthesis

| REQUIREMENT           | SPECIFICATION                |
|-----------------------|------------------------------|
| Appearance            | Yellow ~ green, clear liquid |
| Solubility in acetone | to pass test                 |
| Water                 | under investigation          |
| Assay (HPLC)          | min.95.0%                    |
