Code No.04-0263

SPECIFICATION

p-Dimethylaminobenzaldehyde

for Biochemistry

REQUIREMENT	SPECIFICATION
Appearance	White \sim slightly yellow, crystals \sim crystalline powder
Solubility in acetic acid	to pass test
Solubility in ethanol	to pass test
Solubility in dil.hydrochloric acid	to pass test
Melting point	73∼75℃
Substances darkened by hydrochloric acid	to pass test
Sensitivity	to pass test
Practical test	to pass test
Assay	under investigation
