## **SPECIFICATION**

## Diethofencarb Standard

for Pesticide Residue Analysis

| REQUIREMENT                              | SPECIFICATION                      |
|--|------------------------------------|
| Appearance                               | White $\sim$ grayish white, powder |
| Solubility in acetone                    | to pass test                       |
| Melting point                            | 99∼103℃                            |
| Loss on drying over silica gel in vacuum | max.0.2%                           |
| Assay (capillary GC)                     | min.98.0%                          |
| Assay (qNMR)                             | min.98.0%                          |
