

Code No.04-2820

## SPECIFICATION

Diethyl Ether  
for Extraction

| REQUIREMENT          | SPECIFICATION          |
|----------------------|------------------------|
| Appearance           | Colorless clear liquid |
| Density (20°C)       | 0.717~0.721g/mL        |
| Water                | max.2.0%               |
| Peroxides            | to pass test           |
| Assay (capillary GC) | min.96.0%              |
| Stabilizer (ethanol) | 1.0~2.5%               |
