## **SPECIFICATION**

## 1,1-Dichloro-2,2-bis(4-ethylphenyl)ethane Standard

for Pesticide Residue Analysis

| REQUIREMENT                              | SPECIFICATION                                                  |
|------------------------------------------|----------------------------------------------------------------|
| Appearance                               | White ∼ nearly white,<br>crystals ∼ crystalline powder or mass |
| Solubility in acetone                    | to pass test                                                   |
| Melting point                            | under investigation                                            |
| Loss on drying over silica gel in vacuum | under investigation                                            |
| Assay (capillary GC)                     | min.98.0%                                                      |
| Assay (qNMR)                             | min.98.0%                                                      |
