

Code No.04-3291

## SPECIFICATION

3-(Diethoxyphosphoryloxy)-1,2,3-benzotriazin-4(3H)-one  
for Organic Synthesis

| REQUIREMENT           | SPECIFICATION                           |
|-----------------------|-----------------------------------------|
| Appearance            | White ~ nearly white, crystals ~ powder |
| Solubility in acetone | to pass test                            |
| Water                 | under investigation                     |
| Assay (capillary GC)  | min.95.0%                               |
