2024/07/18 Distributed by FUJIFILM Wako Pure Chemical Corporation Manufactured by FUJIFILM Wako Pure Chemical Corporation

SPECIFICATION

FK506 Monohydrate

for Pharmacology Research

REQUIREMENT	SPECIFICATION
Appearance	White \sim nearly white, crystalline powder \sim powder
Solubility in methanol	to pass test
Specific rotation [α]D20(c=0.5,DMF) (calculated on the dehydrous basis)	under investigation
Water	2.0~3.0%
Assay (HPLC)	min.98.0%
