

Code No.14-0571

## SPECIFICATION

### 1,4-Naphthalenedicarboxylic Acid

Practical Grade

| REQUIREMENT               | SPECIFICATION                 |
|---------------------------|-------------------------------|
| Appearance                | White ~ brown, powder or mass |
| Solubility in 1,4-dioxane | to pass test                  |
| Assay                     | min.95.0%                     |
