SPECIFICATION

Palladium(II) Nitrate, 99.9%

	REQUIREMENT	SPECIFICATION
	Appearance	Brown \sim blackish brown, crystals \sim powder or mass or granules
	Solubility in dil.hydrochloric acid	to pass test
*	Purity (subtracting method)	min.99.9%
	Assay (volumetric analysis)	97.0~102.0%

*:calculated by subtracting method with determination of metal impurities
