

Code No.20-1019

## SPECIFICATION

### Triflumizole Standard for Pesticide Residue Analysis

| REQUIREMENT                              | SPECIFICATION                                                             |
|------------------------------------------|---------------------------------------------------------------------------|
| Appearance                               | White ~ slightly yellow,<br>crystals ~ crystalline powder<br>to pass test |
| Solubility in acetone                    |                                                                           |
| Melting point                            | 63~66°C                                                                   |
| Loss on drying over silica gel in vacuum | under investigation                                                       |
| Assay (HPLC)                             | min.99.0%                                                                 |
| Assay (qNMR)                             | min.98.0%                                                                 |
