# OUR COSMETIC QUALITY GRADE

**As a reliable partner, we set high industry standards for our customers with the Bachem Quality Grade**

- Traceability throughout the complete supply chain
- Dedicated compliance team responsible for quality management and release
- Change control for manufacturing processes, analytical methods and for specifications
- Detailed deviation management
- Manufacturing according to established processes and using qualified analytical equipment
- TSE/BSE certificate
- No usage of GMOs (genetically modified organisms)

# ECO-FRIENDLY PEPTIDE PRODUCTION

Together with our partner Jitsubo, we innovate to offer the Molecular Hiving™ technology for:

## CMR-free

Synthesis without the use of hazardous solvents

## Efficient

Lower equivalents of Fmoc-amino acid derivatives and coupling reagents are required compared to SPPS

## Greener

Significant reduction of solvent consumption

# TAKING ACTION FOR SUSTAINABILITY

**RSPO\* certification and Gold EcoVadis award**

Bachem contributes to society in providing quality products and services to our customers. We are responsible towards employees, the environment and society and we take actions for sustainable and green production.
