

Code No.01-1633

# SPECIFICATION

## Alachlor Standard for Pesticide Residue Analysis

| REQUIREMENT                              | SPECIFICATION                      |
|--|------------------------------------|
| Appearance                               | White, crystalline powder ~ powder |
| Solubility in acetone                    | to pass test                       |
| Melting point                            | 40~45°C                            |
| Loss on drying over silica gel in vacuum | max.0.1%                           |
| Assay (capillary GC)                     | min.98.0%                          |
| Assay (qNMR)                             | min.98.0%                          |
