

## SPECIFICATION

Albumin, from Bovine Serum, Fatty Acid Free-HG  
for Biochemistry

REQUIREMENT	SPECIFICATION
Appearance	White ~ pale brown or pale greenish yellow, crystals ~ powder to pass test
Solubility in water	
Loss on drying over silica gel in vacuum	under investigation
pH of a 10g/l solution at 25°C	6.5~7.5
Heavy metals (as Pb)	max.0.002%
Free fatty acids	max.0.01%
Total nitrogen (N)	15~16%
Assay (electrophoresis)	min.99%
