

Code No.01-2492

## SPECIFICATION

## AZADOLR

for Organic Synthesis

| REQUIREMENT            | SPECIFICATION  |           |
|------------------------|--|-----------|
| Appearance             | Slightly yellow ~ pale yellowish brown,<br>crystalline powder ~ powder<br>to pass test |           |
| Solubility in methanol |  |           |
| Water                  |  | max.0.5%  |
| Assay (capillary GC)   |  | min.98.0% |
