

SPECIFICATION

Clobetasol Propionate Standard
for High Performance Liquid Chromatography

REQUIREMENT	SPECIFICATION
Appearance	White ~ slightly brown, crystalline powder ~ powder to pass test +109~+115° max.0.5% min.98.0%
Solubility in methanol (after drying)	
Specific rotation [α]D20(c=1,CH3OH) (after drying)	
Loss on drying at 105°C	
Assay (HPLC)
