

Code No.03-2491

SPECIFICATION

Chlozolate Standard

for Pesticide Residue Analysis

| REQUIREMENT | SPECIFICATION |
|----------------------------|------------------------------------|
| Appearance | White, crystalline powder ~ powder |
| Solubility in acetonitrile | to pass test |
| Melting point | under investigation |
| Water | under investigation |
| Assay (HPLC) | min.98.0% |
| Assay (qNMR) | min.98.0% |
