## SPECIFICATION

## Dichloroisoeverninic Acid Standard

## for Pesticide Residue Analysis

| REQUIREMENT                              | SPECIFICATION                           |
|--|---|
| Appearance                               | White, crystalline powder $\sim$ powder |
| Solubility in acetonitrile               | to pass test                            |
| Loss on drying over silica gel in vacuum | under investigation                     |
| Assay (HPLC)                             | min.98.0%                               |
