

Code No.06-0343

SPECIFICATION

Fonofos Standard  
for Pesticide Residue Analysis

| REQUIREMENT           | SPECIFICATION                         |
|-----------------------|---------------------------------------|
| Appearance            | Colorless ~ pale yellow, clear liquid |
| Solubility in acetone | to pass test                          |
| Water                 | under investigation                   |
| Assay (capillary GC)  | min.98.0%                             |
| Assay (qNMR)          | min.98.0%                             |
