

Code No.08-0236

## SPECIFICATION

## 2-Pyridinol

Wako 1st Grade

| REQUIREMENT                              | SPECIFICATION                                     |
|------------------------------------------|---------------------------------------------------|
| Appearance                               | White ~ pale brown, crystals ~ crystalline powder |
| Solubility in ethanol                    | to pass test                                      |
| Melting point                            | 104~110°C                                         |
| Loss on drying over silica gel in vacuum | under investigation                               |
| Assay (capillary GC)                     | min.97.0%                                         |
