

Code No.08-0850

## SPECIFICATION

### 4-Hydroxybiphenyl Standard

for Pesticide Residue Analysis

| REQUIREMENT           | SPECIFICATION  |
|-----------------------|--|
| Appearance            | White ~ nearly white,<br>crystals ~ crystalline powder or flakes<br>to pass test |
| Solubility in ethanol |  |
| Melting point         | 164~167°C  |
| Water                 | max.0.2%   |
| Assay (HPLC)          | min.98.0%  |
| Assay (qNMR)          | min.98.0%  |
