

Code No.09-0266

SPECIFICATION

Iodoacetic Acid

for Biochemistry

| REQUIREMENT | SPECIFICATION |
|-----------------------|--|
| Appearance | White ~ nearly white, crystals ~ crystalline powder |
| Solubility in water | to pass test |
| Solubility in ethanol | to pass test |
| Melting point | 80~83°C |
| Free iodine (I) | max.0.003% |
| Assay | min.99.0% |
