

Code No.09-0746

## SPECIFICATION

### 2-Isopropenyl-4,4,5,5-tetramethyl-1,3,2-dioxaborolane

for Organic Synthesis

| REQUIREMENT          | SPECIFICATION                             |
|----------------------|---|
| Appearance           | Colorless ~ yellow or green, clear liquid |
| Water                | under investigation                       |
| Assay (capillary GC) | min.98.0%                                 |
