

Code No.13-1110

# SPECIFICATION

## Monocrotophos Standard

for Pesticide Residue Analysis

| REQUIREMENT                              | SPECIFICATION  |
|--|--|
| Appearance                               | White ~ slightly yellow,<br>crystalline powder<br>to pass test |
| Solubility in acetone                    |  |
| Loss on drying over silica gel in vacuum | max.0.5%   |
| Assay (capillary GC)                     | min.98.0%  |
| Assay (qNMR)                             | min.98.0%  |
