

Code No.16-1345

## SPECIFICATION

## Palladium(II) Nitrate, 99.9%

REQUIREMENT	SPECIFICATION
Appearance	Brown ~ blackish brown, crystals ~ powder or mass or granules to pass test
Solubility in dil.hydrochloric acid	
* Purity (subtracting method)	min.99.9%
Assay (volumetric analysis)	97.0~102.0%

\*:calculated by subtracting method with determination of metal impurities
