

Code No.16-2159

SPECIFICATION

Polysorbate 80, from Plants
for Biochemistry

| REQUIREMENT | SPECIFICATION |
|-------------------------------|--|
| Appearance | Colorless ~ yellowish brown, clear ~ slightly muddy liquid under investigation to pass test max.3.0% 5.5~7.5 under investigation under investigation under investigation |
| Viscosity (25℃) | |
| Solubility in water | |
| Water | |
| pH of a 50g/l solution at 25℃ | |
| Acid value | |
| Saponification value | |
| Hydroxyl value | |
