

Code No.16-2523

SPECIFICATION

Polyoxyethylene Polyoxypropylene Glycol(160E.O.)(30P.O.) for Biochemistry

REQUIREMENT	SPECIFICATION
Appearance	White ~ pale yellow, flakes
Solubility in water	to pass test
Melting point	under investigation
pH of a 25g/l solution at 25°C	under investigation
Water	under investigation
Hydroxyl value	under investigation
Bacterial endotoxins	under investigation
