

SPECIFICATION

Pentafluorophenol

for GPC

REQUIREMENT	SPECIFICATION
Appearance	to pass test
Solubility in acetone	to pass test
Absorbance (320nm)	under investigation
Absorbance (350nm)	under investigation
Absorbance (370nm)	under investigation
Absorbance (380~400nm)	under investigation
Suitability for GPC test	to pass test
Water	under investigation
Residue after evaporation	under investigation
Assay (capillary GC)	min.97.0%
