

SPECIFICATION

Rhodium(III) Nitrate n-Hydrate

for Functional Inorganic Materials

REQUIREMENT	SPECIFICATION
Appearance	Greenish brown ~ brown, crystals ~ powder
Solubility in water	or mass to pass test
Gold (Au)	under investigation
Calcium (Ca)	under investigation
Copper (Cu)	under investigation
Iron (Fe)	under investigation
Iridium (Ir)	under investigation
Magnesium (Mg)	under investigation
Palladium (Pd)	under investigation
Platinum (Pt)	under investigation
Ruthenium (Ru)	under investigation
Silicon (Si)	under investigation
Silver (Ag)	under investigation
Assay (as Rh)	under investigation
