

Code No.20-1640

## SPECIFICATION

(S,S)-3,4,5-Trifluorophenyl-NAS Bromide  
for Organic Synthesis

| REQUIREMENT  | SPECIFICATION                    |
|--|----------------------------------|
| Appearance   | White ~ brown, crystals ~ powder |
| Solubility in chloroform   | to pass test                     |
| Specific rotation [ $\alpha$ ]D <sub>20</sub> (c=0.5,CHCl <sub>3</sub> ) | under investigation              |
