

Code No.01-2823

SPECIFICATION

Atazanavir Sulfate for Pharmacology Research

| REQUIREMENT | SPECIFICATION |
|----------------------------------------------|---------------------------------|
| Appearance | White ~ slightly yellow, powder |
| Solubility in methanol | to pass test |
| Specific rotation [α]D20(c=1,CH3OH) | under investigation |
| Water | under investigation |
| Assay (HPLC) | min.98.0% |
