

Code No.03-1248

SPECIFICATION

Copper(I) Chloride, 99.9%

| REQUIREMENT | SPECIFICATION |
|-------------------------------|--|
| Appearance | White ~ slightly yellowish green, crystals ~ |
| Solubility in dil.nitric acid | powder |
| * Purity (subtracting method) | to pass test |
| Assay (volumetric analysis) | min.99.9% |
| | min.95.0% |

*:calculated by subtracting method with determination of metal impurities
