

Code No.03-1792

## SPECIFICATION

CBB R-250  
for Electrophoresis

| REQUIREMENT                        | SPECIFICATION |
|------------------------------------|---------------|
| Appearance                         | to pass test  |
| Solubility in water-methanol       | to pass test  |
| Absorption maximum                 | 589~595nm     |
| Absorbance (10mg/L, $\lambda$ max) | 0.70~0.85     |
| Practical test                     | to pass test  |
