

# SPECIFICATION

## Chlorhexidine Standard

for High Performance Liquid Chromatography

| REQUIREMENT                          | SPECIFICATION                              |
|--------------------------------------|--|
| Appearance                           | White ~ nearly white, crystalline powder ~ |
| Solubility in N,N -dimethylformamide | powder<br>to pass test                     |
| Melting point                        | under investigation                        |
| Loss on drying at 105°C              | under investigation                        |
| Assay (HPLC)                         | min.98.0%                                  |
