SPECIFICATION

Diclomezine Standard

for Pesticide Residue Analysis

REQUIREMENT	SPECIFICATION
Appearance Solubility in N,N -dimethylformamide	White \sim slightly yellow, crystalline powder \sim powder to pass test
Melting point	248∼255℃
Loss on drying over sulfuric acid in vacuum Assay (capillary GC)	under investigation min.99.0%

(1 / 1) revised on 2014/11/28
